Dr. Chandramma Dayananda Sagar & Barrister R Dayananda Sagar Memorial Awards and Rolling Trophies

FOR THE SECOND EDITION OF NATIONAL LEVEL CONTEST

1st Prize: Rs 15,000

2nd Prize: Rs 12,000

3rd Prize: Rs 10,000

About the event:

A small spark can ignite the mind of any student, which gives rise to unique innovations. A platform is required to give a constructive framework to those innovations. We, at DSPUC provide that platform for budding, ambitious students to flaunt their abilities and prove their scientific acumen. The students are at their liberty to conceive a novel idea, plan, and design and execute the project. Ideas could span from science to business, trade to technology, arts to architecture. The winning ideas would receive recognition and rewards.

Dayananda Sagar PU College has taken initiative to explore the inherent potential of students and provide platform for such talents. In the first edition of National Level Contest during 2021-22 academic year, the students from Jammu to Kottayam have participated and exhibited their talents in Innovation and writing slogans for subjects of environmental concern.

This academic year we have taken more relevant problem of global warming and subsequent climate change. This is our responsibility to show that we are there for the solution. Come and be a part of this array of events that ignites your thoughts, involves you to connect and evolves you into stronger individuals. Arm yourself with the best ideas and build your innovations to impact the society.

To encourage the students to take part in the event we are giving cash awards & rolling trophies as a token of appreciation and recognition of their talents.

On
Nov 23-25, 2023
